---

The Department of Human Services is dedicated to the concept of “people helping people.” Our numerous services are designed to insure the confidentiality, dignity and safety of all participants. For more information, you can call the Administration Office at (631) 224-5310.

---

### **[Drug & Alcohol Counseling \(ACCESS/ACCESO\)](#)**

(631) 224- 5330

Here you will find resources available for Islip residents who are in need of assistance for alcohol and/or drug abuse. Services provided include individual counseling, family counseling, adolescent therapy groups, parent support groups, youth & community education and psychiatric consultations.

See Drug & Alcohol Counseling Department for further information.

---

### **Human Development**

(631) 224-5325

This division offers a wide variety of Family Service programs for Islip residents. Services include securing assistance from other social service agencies, providing programming for teen parents, a summer day program for disadvantaged children and special cultural events. This Division also administers the Family Self Sufficiency program for the Islip Housing Authority.

See Human Development Department for further information.

---

### **Hotline**

(631) 277-4700

Information and assistance is just a phone call away for problems, large or small. Crisis intervention, peer counseling and referrals for further help are made available to residents of Long Island by trained volunteers. All services are free and strictly confidential. Thousands of local referral sources are listed.

See Hotline Department for further information.

---

### **Disabled Services and Therapeutic Recreation Program**

(631) 224-5335

Programs and advocacy services are provided for disabled residents and their families. These services include a summer employment program, transportation services and disabled parking permit distribution. See for yourself how this Division promotes, and advances the rights of Islip's disabled residents.

See Disabled Services Department for further information.
